LETTER FROM THE PRESIDENT

Dear esteemed friends, donors, volunteers & well-wishers,

Peace Be Upon You All

Projects for Humanity (P4H) was founded in September 2017 with a mission to deliver aid through impactful humanitarian projects. Over the years, as a donor to various non-profits, I often questioned how effectively funds reached those in need. This concern led us to establish P4H with a commitment to maintaining the highest level of transparency. While annual reports are a standard practice for organizations, we strive to go beyond convention—ensuring that our donors and supporters have clear insights into the real impact of their contributions.

The year 2023 presented significant challenges in Bangladesh and beyond. The rising cost of daily necessities, persistent food crises, soaring inflation rates, the devastating Bangabazar fire, and recurrent natural disasters made life even harder for vulnerable communities. Despite these difficulties, P4H remained steadfast in its mission, responding swiftly to emergencies while working towards long-term solutions for sustainable development. The following points highlight P4H's immediate actions:

Key Impact Highlights of 2023:

✅ Emergency Relief & Rehabilitation: Swift response to the Bangabazar fire, helping victims rebuild.
✅ Education Support: Providing quality education to underprivileged children.
✅ Healthcare Access: Organizing monthly free medical camps in rural areas.
✅ Food Security: Distributing Ramadan food baskets to struggling families.
✅ Festive Joy: Delivering Eid gifts to underprivileged children.
✅ Qurbani Distribution: Providing meat to vulnerable communities during Eid-ul-Adha.
✅ Empowerment Programs: Supporting marginalized communities with sustainable aid.

As we step into another year, we reaffirm our commitment to transparency. We believe in open communication and invite you to connect with us. If you have any inquiries about our programs, please reach out to our Programs Manager, Syed Zia Uddin, at programs@projects4humanity.org. For questions about donations, feel free to contact our Donor Relations Manager, Rozina Rashed, at RRashed@projects4humanity.org.

Your generosity and trust fuel our mission. Together, we are making a profound impact—changing lives, restoring hope, and building a better future.

Thank you for standing with us in this journey of compassion, resilience, and transformation.

Md Monirul Islam

President

Projects For Humanity

ABOUT PROJECTS FOR HUMANITY (P4H)

At Projects for Humanity (P4H), we are driven by a profound commitment to uplifting lives and fostering a better future for those in need. Established in 2017, P4H has been dedicated to providing relief, rehabilitation, and sustainable development through impactful humanitarian initiatives.

Our purpose is to seek divine grace by building a harmonious and thriving society through acts of humanity. We envision a world that is just, equitable, peaceful, and sustainable—a world where every individual, regardless of their circumstances, has access to resources, opportunities, and support systems that enable them to flourish and reach their full potential. Guided by our purpose and vision, we strive to provide care, education, empowerment, health, shelter, nourishment, and relief to orphans, the underprivileged, refugees, and those in need. We aim to accomplish our vision by raising awareness, uniting those who share our mission, collaborating with organizations and governments, and integrating sustainability and innovation into our work.

YOU HELPED THEM, THEY BECOME

BETTER

BRIGHTER

HEALTHIER

OUR APPROACH TO SUSTAINABLE DEVELEOPMENT

Complete Orphan Care

We provide food, shelter, healthcare, recreational activities,and quality education to orphans in our residential complete orphan care centers

Free Education

Many meritorious students forgo their studies due to financial hardships. We help them continue education and build better future by giving educational scholarships

Underprivileged Empowerment

We provide food, shelter, healthcare, recreational activities, and quality education to orphans in our residential complete orphan care centers

4P

PROJECTS FOR HUMANITY

Refuge Assistance

Rohingya refugees in Bangladesh are facing one of the worst humanitarian crises in the history of the world. We are there to help them through food and shelter.

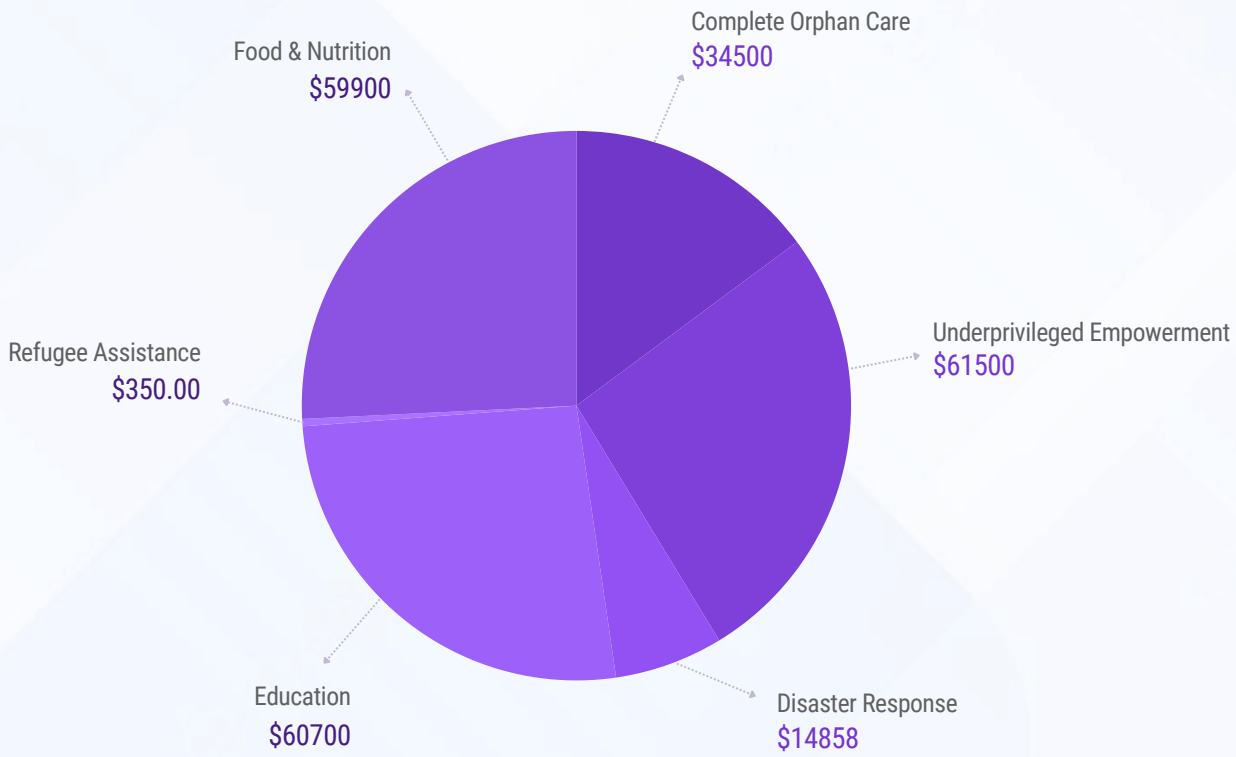
Emergency Response

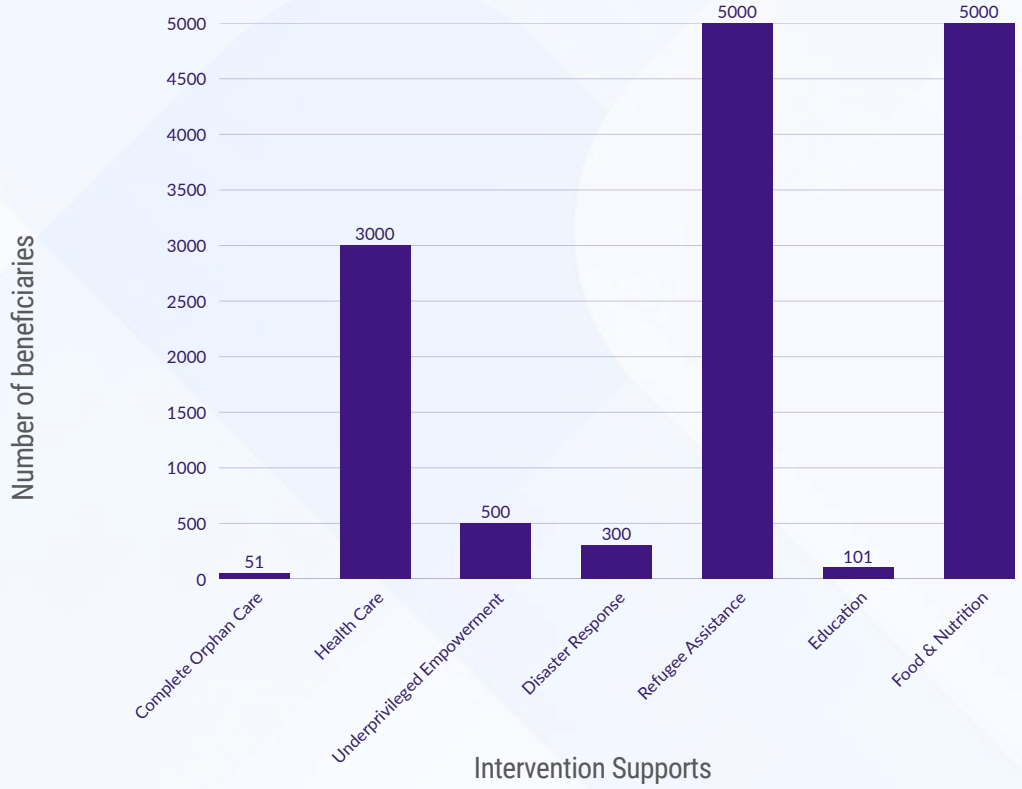
Our volunteers are often the first groups reach the communities that are the remotest and the hardest hit ones by natural disasters such as flood, cyclone etc.

Free Medical Treatment

We set up free minute clinics in the rural areas of Bangladesh where proper medical attention is often unavailable.

EXPENDITURES OVERVIEW





EDUCATION

CREATING CHAMPION PROJECT

What we did

42
UNDERPRIVILEGED STUDENTS BENEFITED

59
STUDENT SCHOLARSHIPS

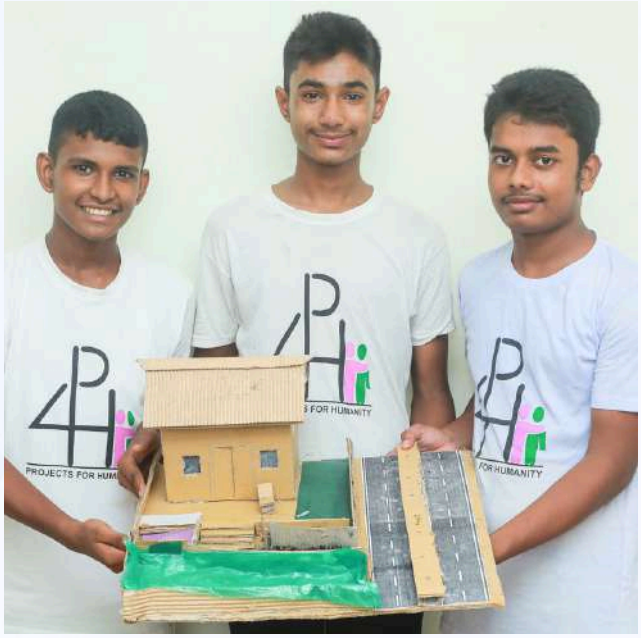
Accomplishment

42 students are being provided with comprehensive facilities through the Cheating Champions project. This initiative ensures they have the opportunities and care needed to thrive academically and beyond, breaking barriers and building a brighter future.

Why we did

There are so many poor students especially from remote rural areas of Bangladesh who are talented and meritorious but unable to continue their studies due to financial hardship.

Through our Creating Champions Project (CCP), we meticulously select talented and underprivileged students from all over Bangladesh. As part of this initiative, we not only offer them exceptional education but also provide 24/7 support with accommodation and food facilities.



EDUCATION

EDUCATION SCHOLARSHIP

What we did

40
ONE TIME SCHOLARSHIPS

19
RECURRING SCHOLARSHIPS

Accomplishment

We have taken concrete steps by establishing the Education Scholarship Program. Within this initiative, we extend 59 scholarships, comprising both one-time (40 scholarships) and recurring (19 scholarships) opportunities, to deserving and accomplished students

Why we did

Countless underprivileged students are forced to drop out before reaching high school due to financial and family hardships. Even those who excel at the primary level struggle to secure admission to esteemed institutions due to a lack of financial support.

Through these scholarships, we strive to remove these barriers, enabling students to continue their education without interruption. Our goal is to empower them to become self-reliant and valuable contributors to the nation. By investing in their future, we are shaping a generation that will thrive and create a lasting impact on society.

FOOD & NUTRITION

RAMADAN FOOD BASKET

What we did

1250+
FAMILIES COVERED

5000+
INDIVIDUAL BENEFITED

125,000+
MEALS DISTRIBUTED

Accomplishment

The Ramadan Food Basket Project provided essential sustenance to more than 5000 individuals, ensuring meals throughout the holy month.
By distributing thoughtfully curated food baskets, the initiative aimed to bring happy meals to the community and compassion during this sacred time.

Why we did

In the sacred month of Ramadan, people grappling with poverty frequently encounter challenges in securing nourishing Sehri and Iftar meals. Fasting and working under limited resources become a daunting challenge for them.

P4H was unwavering in its dedication to giving precedence to the dissemination of Ramadan blessings among the less fortunate through focused initiatives. Our pursuits are directed towards realizing this objective, aiming for positive outcomes that resonate both at an individual level and within communities.

FOOD & NUTRITION

QURBANI

What we did

6,000+
PEOPLE COVERED

08
SELECTED DISTRICTS

146
QURBANI PERFORMED

Why we did

Eid al-Adha is one of the most significant festivals for Muslims worldwide, yet many impoverished families in Bangladesh cannot afford Qurbani due to financial hardships. To support them, we distribute fresh Qurbani meat to the most vulnerable, who have limited access to meat throughout the year. Some families face such dire circumstances that they lack even the basic spices and ingredients to prepare a meal. To ensure they can truly enjoy Eid, we not only provide meat but also cook and deliver nourishing meals to their homes, bringing joy and dignity to those in need.

Accomplishment

We distributed 146 Qurbani on Eid-ul-Azha 2023, benefiting +6,000 people in different districts of Bangladesh on behalf of our donors, delivering fresh meat to the most vulnerable. Additionally, we prepared and distributed cooked meals among the poor and unprivileged people.

ORPHAN SUPPORT

COMPLETE ORPHAN CARE

What we did?

3
ORPHAN CENTERS

51
ORPHAN CHILD
(11 SPONSORED)

Complete Orphan Care Centre provides

- Education
- Accommodation
- Food and Nutrition
- Helth Care
- Other basic Needs

Why we did

In Bangladesh, nearly 4 million orphaned children face vulnerability and neglect, their potential often lost to hardship. We strive to change this by providing Complete Orphan Care and Orphan Scholarships.

Our Complete Orphan Care program offers 24/7 residential support, a safe home, and quality education blending modern and religious teachings. Through our Orphan Scholarship Program, we ensure that no child's education or dreams are hindered by financial struggles, no matter where they are in Bangladesh.

Our mission is to change this narrative and ensure that orphaned children receive the care, education, and facilities they need to nurture their aspirations

HEALTHCARE

FREE MEDICAL CARE

What we did

62
FREE MEDICAL CAMPAIGNS

3000
PEOPLE SERVED

05
DISTRICTS REACHED

Accomplishment

In 2023, our healthcare campaign became a beacon of hope for thousands in need. We provided free medical treatment to 2,581 individuals—1,049 men, 1,143 women, and 389 children—while over 3,000 people gained vital health awareness. More women sought treatment, breaking barriers in healthcare access. For many with chronic illnesses, our services meant relief and renewed hope. These numbers reflect lives transformed and a healthier future we're building together.

Why we did

In Bangladesh, 15% of people lack medical care, with rural communities facing the greatest challenges. Despite 70% living in rural areas, healthcare remains centered in cities, leaving millions underserved. Women in remote areas silently endure reproductive health issues, while many face life-threatening childbirth complications due to the lack of checkups.

At Projects for Humanity, we believe healthcare is a basic human right. We provide free treatment in rural areas, ensuring the most vulnerable receive the care they need to lead healthier lives.

EMERGENCY SUPPORT

BANGABAZAR FIRE EMERGENCY

What we did

60
FIRE VICTIMS BENEFITED

50
VICTIMS AND THEIR GOODS RESCUED

Why we did it?

On April 4th, 2023, a devastating fire destroyed around 6,000 shops in the Bangabazar market, Dhaka, causing an estimated loss of 10 billion BDT and leaving traders, workers, and families without income. Many had purchased new stock for Ramadan, but the fire took away everything.

In response, we swiftly provided financial assistance to help those affected recover, rebuild, and restart their businesses. We stand in solidarity with the community, working together to restore livelihoods and create new opportunities.

Accomplishment

We provided crucial aid to Bangabazar after the devastating fire, offering modest cash support to alleviate immediate burdens and express solidarity with affected individuals and businesses in their recovery. We offered financial aid to around 60 small and medium business owners and employees, providing them with BDT 20000 in cash.

UNDERPRIVILEGED EMPOWEREMENT

LIVELIHOOD DEVELOPMENT

What we did

100+
FAMILIES SERVED

39
LIVESTOCKS DISTRIBUTED

30
SEWING MACHINE DISTRIBUTED

12
SMALL BUSINESSES

20+
PEOPLE GOT OTHER LIVELIHOOD SUPPORT

We helped them with

- Rickshaw/ Van
- Sewing Machine
- Build a House
- Livestock Distribution
- Small Business
- Net & Boat

Why we did

In 2023, Projects for Humanity actively worked across multiple districts in Bangladesh, striving to uplift underprivileged communities. Through targeted initiatives, we addressed socio-economic disparities, empowered women with opportunities for growth, and improved the living conditions of marginalized groups facing adversity. This report highlights our efforts in education, healthcare, livelihood support, and social welfare, reflecting our commitment to building a more just and equitable society.

UNDERPRIVILEGED EMPOWEREMENT

PURE WATER FOR ALL

What we did

30
WATER-WELLS INSTALLED

1
SOLAR POWERED RO PLANT
(5000 liters of water/day)

2000+
PEOPLE SERVED

Why we did

In our Pure Water Project, we took significant steps to provide clean water to various regions in the country. We established water wells in different areas, ensuring access to safe and reliable water sources for local communities. Additionally, in this year, we set up a solarpowered Saline Water treatment plant at Nildumur at Shyamnagar upazila of Satkhira district to resolve the crisis of saline water in that region. Through these initiatives, we aimed to make a positive impact on people's lives by promoting access to pure and sustainable water resources.

Accomplishment

In 2023, our 30 water wells brought clean drinking water to thousands of people across deprived communities in Bangladesh, reducing waterborne diseases and easing daily struggles. Our solar-powered water treatment plant in coastal Bangladesh now serves thousands of people daily with 5000 liters of pure drinking water, ensuring sustainable access to safe water.

REFUGEE ASSISTANCE

RAMADAN & QURBANI

What we did

15
qurbanis performed

100
FOOD BASKETS DELIVERED

1,500
PEOPLE SERVED

RAMADAN FOOD BASKET

We distributed more than 100 food baskets to the Rohingya population residing in the refugee camp in Cox's Bazar. Each basket is designed to sustain a family of four for an entire month, containing essential provisions like rice, lentils, oil, onions, grams, sugar, and other necessities. The goal was to provide assistance to the vulnera- ble and economically disadvantaged Rohingya community, particularly during the month of Ramadan.

QURBANI

On Eid-ul-Azha 2023, we slaughtered 15 goats at the Rohingya Refugee Camp in Cox's Bazar. The most disad- vantaged refugee population in the world. With utmost care, we distributed fresh meat to 200 families, aiming to bring joy and nourishment to those in need. Our mission was to spread happiness and uplift the spirits of these individuals, especially the chil- dren through the act of Qurbani.
