

MONTHLY UPDATE | JUNE 2026

Let's Make Change Together

Dear friends, donors, volunteers & well-wishers,
Peace be upon you all.

June was a month of meaningful progress and renewed hope. From inaugurating two new RO Water Plants to advancing education, orphan care, healthcare, and humanitarian services, we continued bringing lasting change to vulnerable communities. This month, I had the privilege of visiting our Champion Academy, Orphan Care Centers, and Pure Water Projects. Meeting the children and families we serve reaffirmed that every act of compassion creates hope and transforms lives.

My heartfelt thanks to our donors, volunteers, partners, and dedicated team. Your unwavering support makes every achievement possible. Together, we will continue building a brighter future for every child, family, and community we serve.

- ✓ **2 new advanced RO plants** inaugurated to expand clean water access

FREE MEDICAL CARE

In June, 270 individuals received free medical care through 5 health camps, including general checkups, gynecology, eye care, and dental services for vulnerable communities.

UNDERPRIVILEGED EMPOWERMENT

Through our sustainable livelihood initiatives, 688 families have now been empowered with income-generating opportunities, transforming the lives of more than 3,200 individuals.

FOOD & NUTRITION

Sharing the Blessings of Qurbani

More than 17,000 nutritious meals were served to orphans and vulnerable individuals throughout June, helping improve health, strength, and overall wellbeing.

Beneficiary Story

My name is Sufia Akter. For years, my family struggled to find safe drinking water. The salty water we depended on often caused stomach illnesses and skin problems, and I had to walk long distances with my child just to collect a few containers of clean water. Today, that struggle is over. Thanks to the new water plant, we now have safe drinking water close to our home. We no longer have to make that exhausting journey. May Allah abundantly bless everyone who made this possible

Stories like Sufia's remind us why clean water matters. With the inauguration of our two new advanced RO water plants, many more vulnerable families will gain access to safe drinking water—because pure water is a right, not a luxury.

Organizational Announcement

Two New Advanced RO Plants Inaugurated

Projects for Humanity inaugurated two new advanced Reverse Osmosis Water Plants, made possible through the generous support of the Grundfos Foundation. These new facilities will significantly expand access to safe drinking water, bringing life-changing relief to thousands of people in vulnerable coastal communities.

President's Visit to Bangladesh ★

Our Founder & President visited Champion Academy, our Orphan Care Centers, and our Pure Water Projects, encouraging students, connecting with beneficiaries, and celebrating the impact of our newly inaugurated water plants. The visit reflected our continued commitment to transforming lives through education, care, and clean water.

Grundfos CleanFlow Trailer Ready to Serve

The Grundfos CleanFlow Mobile Service Trailer is now fully prepared for deployment. This innovative mobile solution will deliver clean water, hygiene services, and community support directly to underserved populations, expanding our ability to respond wherever help is needed most.

Annual Employee Summit 2026 One Mission. One Team. Rise Together.

Behind every meal served, every child educated, and every family empowered is a team committed to making a difference. Our Annual Employee Summit brought our team members together to celebrate our shared achievements, learn from one another, and recommit ourselves to serving humanity with compassion, integrity, and hope.

Celebrating Excellence

We proudly celebrate the remarkable achievements of our young students in the National Primary Education Award Competition 2026 (District Level).

What's Next?

As we move into the second half of 2026, Projects for Humanity remains committed to expanding access to clean water, quality education, healthcare, nutrition, and sustainable livelihoods for vulnerable communities. Together, we continue creating lasting change—one family, one child, and one community at a time.

Thank You, For your Generosity!

Your support makes every project possible. Together, we're building a better tomorrow for communities in need.
