Projects For Humanity

MONTHLY UPDATE | OCTOBER 2026

Let's Make Change Together

Dear friends, donors, volunteers & well-wishers,
Peace be upon you all.

October was another month of progress, care, and hope. Through education, orphan care, refugee support, clean water, healthcare, nutritious meals, and livelihood opportunities, we continued reaching vulnerable children, families, and communities.

We also received our Grundfos CleanFlow trailer in Texas and made further progress on our permanent Orphan Care Home in Shibganj, Chapainawabganj. With the upcoming launch of Champion Academy's new branch, we are moving closer to a future where more children can grow with safety, care, education, and opportunity.

Thank you for standing with us and making this journey possible.

FREE MEDICAL CARE

410 individuals received free medical care through 5 **health camps**, providing general checkups, gynecology, eye care, and dental services to vulnerable communities.

UNDERPRIVILEGED EMPOWERMENT

Empowered 688 families through 8+ livelihood solutions, providing income-generating assets to 574 families and cash support to 114 families. Additionally, 4 new families received cultivation support.

FOOD & NUTRITION

14,550+ of Pure Drinking Water

14,550+ nutritious meals served to orphans and vulnerable individuals throughout October, supporting their health and nourishment.

Under our education project, **14 orphan and underprivileged students** received scholarships to continue their education.. .

After the Hardest Loss, a Measure of Recovery

For years, Shandha Rani, a newly married woman from coastal Sora, had no choice but to drink contaminated, saline water, even during her pregnancy. She suffered from recurring illness and tragically lost her first baby before birth. She believes the unsafe water contributed to her loss and declining health.

> Drinking that salty, dirty water, I lost my first baby while it was still inside me. My health broke down too. (Translated)

Since our Pure Water Plant 6 began operating, Shandha Rani has gained regular access to safe drinking water, and her health is slowly improving. Like Shandha, thousands of people are now finding relief from contaminated, saline water through our Pure Water for All Initiative.

Organizational Updates

CleanFlow Trailer Arrives in Texas

Our Grundfos CleanFlow Project trailer has arrived at our facility in Texas from Chaina! Grundfos colleagues came together to unload it. Soon, this trailer will help bring essential hygiene services to people experiencing homelessness in Houston.

A New Home for 200 Orphans Is Taking Shape

Construction of our new Orphan Care Home in Shibganj, Chapainawabganj, is progressing well. Several major construction stages have been completed, including wall construction, roof casting, and floor casting. Door and window installation is currently underway.
The new facility will also house the Chapainawabganj Branch of Champion Academy, where school activities from Play Group to Grade 5 are set to begin in January 2027.

Contribute to the Construction

2 Students Win at Regional Azan Competition

National Children-Adolescent Islamic Cultural Competition 2027, organized by the Islamic Foundation, two students from our Orphan Care Center achieved top positions in the Azan competition.

- **Abdul Qadir Jilani: 1st**
- **Md. Mahim: 2nd**

5 Students Reach Theater Round

Five students of our **Champion Academy** were selected for the Theater Round of **English Olympiad Season 5**, marking another proud achievement for the academy.

What's Next?

As we step into November, we remain dedicated to expanding access to education, clean water, healthcare, nutrition, and sustainable livelihoods while creating a safe and loving home for orphaned children and brighter futures for vulnerable communities.

Thank You, For your Generosity!

Your support makes every project possible. Together, we're building a better tomorrow for communities in need.
