

MONTHLY UPDATE | SEPTEMBER 2026

Let's Make Change Together

Dear friends, donors, volunteers & well-wishers,
Peace be upon you all.

September was another month of care, progress, and hope. Through education, orphan care, clean water, free healthcare, nutritious meals, and livelihood opportunities, we continued supporting vulnerable children, families, and communities.

We also provided emergency dry food to flood-affected families in northwestern Bangladesh and continued construction of our permanent home for 200 children in Shibganj, Chapai Nawabganj, bringing us closer to a future where more children can grow up with safety, care, and opportunity.

Thank you for standing with us and making this journey possible.

FOOD & NUTRITION

Throughout September, **14100+** nutritious meals were served to orphans and vulnerable individuals, supporting their health and wellbeing.

A Mother's Relief Through Clean Water

Eight months ago, Sabina brought her newborn home to a village where safe drinking water was hard to find. With highly saline water as the main source, her baby suffered from frequent illnesses, leaving Sabina worried and sleepless night after night.

Everything began to change when the community water plant opened. Now, she can regularly collect safe drinking water close to home.

"Since this plant was established, we have been getting clean water. Alhamdulillah, my Eight-month-old baby is now healthy and no longer gets sick like before. Without the worry about water, our family is living much more peacefully." (Translated)

For thousands of families like Sabina's, our clean water initiative has become a source of relief.

Standing Beside Flood-Affected Families ❤️

In September, through our Disaster Response initiative, P4H provided dry food packages to flood-affected families in northwestern Bangladesh. The packages included flattened rice, puffed rice, molasses, dry bread, biscuits, and other essential dry foods to help families facing difficult conditions during the floods.

Organizational Updates

Connecting Through Humanity at ISNA 2026

From September 4–7, P4H joined the 63rd Annual ISNA Convention at Huntington Place in Detroit, Michigan, with Booth #372. The convention was filled with smiles, joyful moments, and inspiring connections. Families and children visited our booth, shared happy moments, and learned more about our mission of serving humanity.

Grundfos CleanFlow Trailer Begins Its Journey to Texas

The Grundfos CleanFlow Trailer is ready to serve people experiencing street homelessness, providing access to essential hygiene and support services. The trailer is currently awaiting shipment before beginning its journey to the community.

A New Home for 200 Orphans Is Taking Shape

The construction of our new orphan care center in Shibganj, Chapainawabganj, is progressing well, Alhamdulillah. Brick masonry work is underway, and construction of the adjacent mosque has also begun. Step by step, we are moving closer to creating a safe and caring home for 200 children.

Be Part of Their Future. Your donation can help us build a place where children feel safe, loved, and cared for. ❤️

What's Next?

As we move into October, we remain committed to expanding access to clean water, education, healthcare, nutrition, sustainable livelihoods, and a safe new home for orphans, creating brighter futures for vulnerable communities.

Thank You, For your Generosity!

Your support makes every project possible. Together, we're building a better tomorrow for communities in need.
