

MONTHLY UPDATE | AUGUST 2026

Let's Make Change Together

Dear friends, donors, volunteers & well-wishers,
Peace be upon you all.

August was filled with moments of hope and progress. From supporting vulnerable children and families with education, orphan care, safe water, healthcare, nutritious food, and livelihood opportunities to celebrating the academic success of our students, we continued working toward brighter futures.

We are especially grateful to have begun construction of a permanent home for 200 children in Shibganj, Chapai-nawabganj. This new home will provide safety, care, and hope for children who deserve a place to grow and thrive.

Thank you for standing with us and making this journey possible.

FREE MEDICAL CARE

365 individuals received free medical care through 6 health camps, providing general checkups, gynecology, eye care, and dental services to vulnerable communities.

UNDERPRIVILEGED EMPOWERMENT

Through sustainable livelihood initiatives, 688 families have gained income-generating opportunities, reaching 3,200+ individuals.

FOOD & NUTRITION

Throughout August, 19,000+ nutritious meals were served to orphans and vulnerable individuals, supporting their health and wellbeing.

14 orphan and underprivileged students received scholarships in August, while 2 scholarship students successfully completed SSC 2026, with one achieving GPA 5 (A+) and the other earning an A grade.

Moments That Inspire Us

After losing her father, Raisa's family was left with little more than a small home and a cow. They shared the same small space, and when the rains came, life became even harder. When her mother became ill, the challenges grew even heavier. Amid it all, Raisa had to stop her education. But she never stopped wanting to study. Seeing her determination, Projects for Humanity supported Raisa through our Education Scholarship Program. With this opportunity, she continued her studies while caring for her mother and helping with household responsibilities. This year, Raisa successfully completed her SSC with an A grade.

"I never thought I would be able to sit for the SSC exam. With your support, I have passed today. Please pray that I can do even better in the future."

Raisa's success reminds us why every opportunity to learn matters. ❤️

Champion Academy's First Batch Makes History

A proud milestone for Champion Academy! All 3 students from our first batch achieved GPA 5 (A+) in the SSC 2026 examination: Ripon, Sakib, and Al Amin. Their achievement reflects the dedication of the students, teachers, and everyone who has supported their educational journey. We are proud to see our first batch take this important step toward a brighter future.

A Scholarship Can Change a Child's Future

Jahiduzzaman, a student from a very poor family and one of our monthly scholarship recipients, achieved a Golden A+ in the SSC 2026 examination, earning 80% or higher in every subject. His achievement is a powerful reminder that a scholarship can change a child's future. With the right opportunity, determination can open doors to education, hope, and a brighter future.

Organizational Updates

Building A New Home for 200 Orphans

Construction has begun on a permanent home for 200 orphaned and vulnerable children in Shibganj, Chapainawabganj. This new home will provide children with a safe, caring environment where they can live, learn, grow, and build a brighter future. It is more than a home; it is a place where children can find security, belonging, and hope.

CleanFlow: Street to Stability

The Grundfos CleanFlow Trailer is ready to serve people experiencing street homelessness, providing access to essential hygiene and support services. The trailer is currently awaiting shipment before beginning its journey to the community.

What's Next?

As we move into October, we remain committed to expanding access to clean water, education, healthcare, nutrition, sustainable livelihoods, and a safe new home for orphans, creating brighter futures for vulnerable communities.

Thank You, For your Generosity!

Your support makes every project possible. Together, we're building a better tomorrow for communities in need.
